Workshop Description: This workshop will cover the latest developments in the assessment of behavioral, social, and clinical aspects of children's functioning. It will be based on Dr. Sattler's latest book, *Foundations of Behavioral, Social, and Clinical Assessment of Children (Sixth Edition)*. Topics will include bullying, cyberbullying, sports-related injuries, executive functions, LD, ADHD, and Autism Spectrum Disorder. Attention will be given to DSM-5 and IDEA 2004. Each participant will receive a copy of "Foundations of Behavioral, Social, and Clinical Assessment of Children, Sixth Edition" and the accompanying Resource Guide. The Resource Guide contains numerous checklists, forms, and semi-structured interviews related to the assessment of children with special needs and to children who are at risk. The Resource Guide also contains an extensive list of suggestions for parents and teachers who are helping children with special needs and for children affected by bullying and cyberbullying.

Target Audience: Psychologists, Teachers, Social Workers, Counselors, Special Education Personnel and graduate students

Cost: The price of this full-day workshop includes a copy of Dr. Sattler's newest book, *Foundations of Behavioral, Social, and Clinical Assessment of Children, Sixth Edition* (\$125 value). Lunch will also be provided. All attendees receive a letter of completion for 5 hours of NASP Continuing Professional Development credits at the end of the workshop.
